

PRÁCTICAS PROFESIONALES EN JAPÓN PARA ESTUDIANTES DE LA UE

Vulcanus Traineeship for EU Students in Japan

Deadline: 20 January 2013

Open to: European students of engineering or science in at least the third year of a course at an EU University

Grant: Yen 1.900.000 (cca 16.500 Eur)

Description

The programme consists of industrial placements for EU students. It starts in September and ends in August of the following year in order to accommodate the academic year in EU Member States. The whole programme takes place in Japan. The students follow:

1) a seminar on “Japan”; 2) a 4-month intensive Japanese language course; 3) an 8-month traineeship in a Japanese company.

Objectives

To study the range of advanced technologies employed by a leading Japanese host company.

To learn Japanese and to understand and appreciate Japanese culture with a view to an enriching one year experience abroad.

To be well placed in your future career to interact with Japanese businesses and people.

Eligibility

At the time of application, you must be both:

an EU citizen

a student of engineering or science in at least the third year of a course at an EU University *.

In accordance with the regulations of their respective universities, the students will be either undergraduates or postgraduate students who are able to take a year out – as a recognised part of their course or as a year off – or postgraduates.

* Computer science, science engineering, mechanical engineering, chemical, electronics, biotechnology, electrical engineering, physics, telecommunication, nuclear engineering, civil engineering, metal materials, ceramics, production system,...

Grant

This programme is financed by the EU-Japan Centre for Industrial Cooperation and the Japanese host company. The European students are awarded a grant (Yen 1.900.000) to cover the cost of travel to and from Japan and living expenses in Japan. There is no charge for the language course and seminar and accommodation is provided free of charge during the course and seminar and the company traineeship.

Application process

Please fill-in the application document and send it by courier or air-mail to:

Eu-Japan Centre for Industrial Cooperation
Rue Marie de Bourgogne, 52, (V)
1000 Brussels
Belgium

Application must be postmarked no later than 20 January 2013!

Selection criteria

Applicants are selected on the basis of their academic record and the opinion of their tutors, their knowledge of written and spoken English, their motivation, their attitude to EU-Japan relations and their ability to adapt to a different culture.
